Introduction

So you've heard of Facebook and profiting bigtime from it...ever wish you had the ability to always be on the cutting edge of Facebook updates so you'll always know the ways you can best profit?

'Tis a smart idea indeed!

And the best thing is...it's sooo easy to do as well. All it involves is:

- Step 1 – Fire Up Google Reader
- Step 2 – Add The First Facebook Blog
- Step 3 – Create Facebook Folder
- Step 4 – Add These Facebook Sites

Let's go!

Step 1 – Fire Up Google Reader

The first thing you need to do to enable your ability to spy on Facebook coming attractions is to fire up your Google Reader.

You can access that at <http://google.com/reader> .

Here, you're going to add Facebook feeds that will ensure you're ALWAYS on top of the Facebook developments.

Need help with Google Reader?

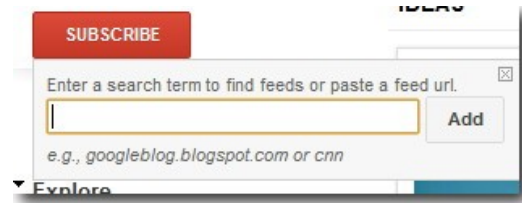

Visit:

- <http://www.youtube.com/watch?v=PvKFP67GwSY>

Next, it's time to add some feeds to it!

Move now to:

Step 2 – Add The First Facebook Spy Blog

Now that you have Google Reader up, click on that red subscribe button you see.

A text field will pop up.

Paste into it:

- <http://www.insidefacebook.com/>

And then click Add like so:

See that?

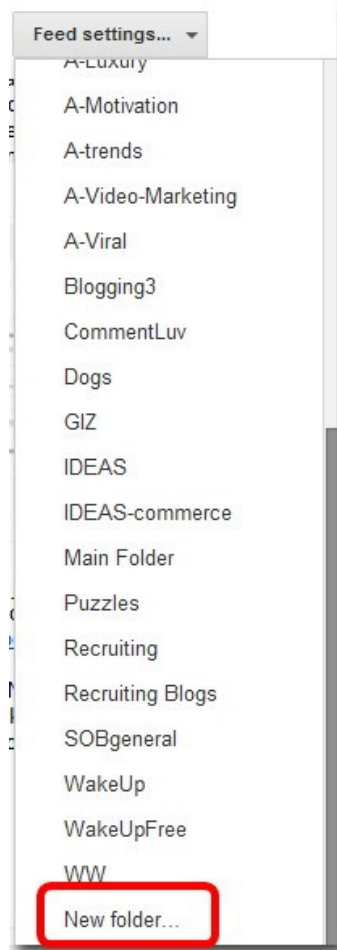

You'll now see whenever **Inside Facebook** updates! (that means you'll be able to spy the latest breaking news about it...woot!)

But let's do one better than that, shall we?

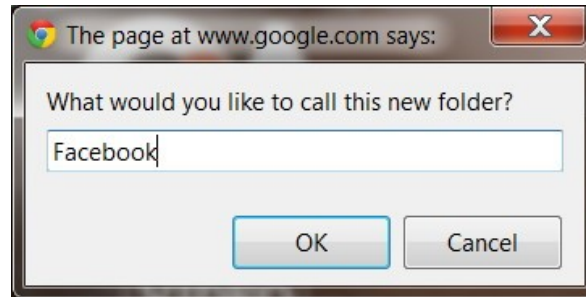

Move now to:

Step 3 – Create Facebook Folder

Click on “Feed Settings” and you'll see:

Scroll down to “New folder” and then type in “Facebook” like so.

When you click OK, you'll see on your left hand column in your reader a NEW category called Facebook.

Yay!

But don't stop there! Let's now add some other goodies, okay?

Step 4 – Add These Facebook Sites

Click on the links below and add them to your reader:

- <http://news.google.com/news?hl=en&gl=us&q=facebook&um=1&ie=UTF-8&output=rss>
- <http://www.avenuesocial.com/blog/>
- <http://allfacebook.com>
- <http://failbook.failblog.org/>
- <http://www.socialmediaexaminer.com/>
- <http://www.socialadblog.com/>

After adding each feed, make sure you set the Folder to “Facebook”. That way, everything is neatly in its place.

Thus...whenever new updates for Facebook are released guaranteed....**you'll be on the front line to receive them...**woot!
