Introduction

So you want to stay abreast of all the Google eBay updates there are.

'Tis a smart idea indeed!

And the best thing is...it's sooo easy to do as well. All it involves is:

- Step 1 – Fire Up Google Reader
- Step 2 – Add The First eBay Blog
- Step 3 – Create eBay Folder
- Step 4 – Add These eBay Sites

Let's go!

Step 1 – Fire Up Google Reader

The first thing you need to do to stay abreast of eBay is to fire up your Google Reader.

You can access that at <http://google.com/reader> .

Here, you're going to add eBay feeds that will ensure you're ALWAYS on top of the eBay developments.

Need help with Google Reader?

Visit:

- <http://www.youtube.com/watch?v=PvKFP67GwSY>

Next, it's time to add some feeds to it!

Move now to:

Step 2 – Add The First eBay Blog

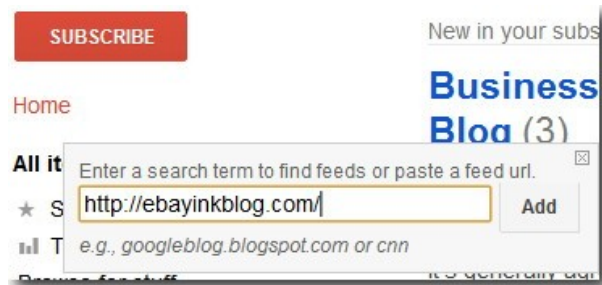

Now that you have Google Reader up, click on that red subscribe button you see.

A text field will pop up.

Paste into it:

- <http://ebayinkblog.com/>

And then click Add like so:

See that?

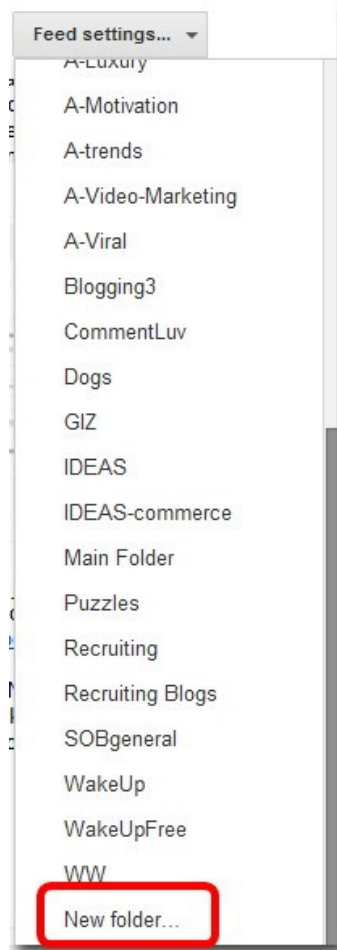

You'll now see whenever the official eBay Blog updates!

But let's do one better than that, shall we?

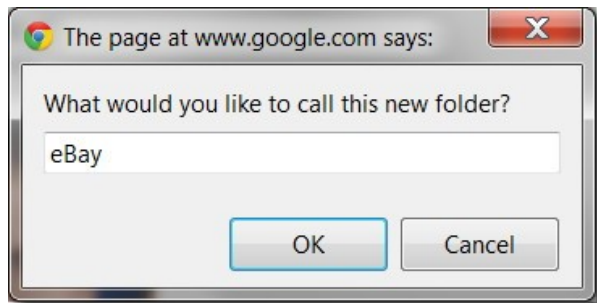

Move now to:

Step 3 – Create eBay Folder

Click on “Feed Settings” and you'll see:

Scroll down to “New folder” and then type in “eBay” like so.

When you click OK, you'll see on your left hand column in your reader a NEW category called eBay.

Yay!

But don't stop there! Let's now add some other goodies, okay?

Step 4 – Add These eBay Sites

Click on the links below and add them to your reader:

- <http://www.ebaypartnernetworkblog.com/en/>
- <http://www.ecommercebytes.com/>
- <http://tamebay.com/>
- <http://colderice.com/blog/>
- <http://ebaystrategies.blogs.com/>
- <http://www.ecommercebytes.com/C/abblog/blog.pl>
- <http://blog.skipmcgrath.com/>

After adding each feed, make sure you set the Folder to “eBay”. That way, everything is neatly in its place.

Thus...whenever new updates for eBay are released guaranteed....you'll be on the front

line to receive them...woot!

And for a funny story....

Notice my post from 2003.

...Greetings,

I came across a 1936 copy of Gone with the Wind and found, neatly preserved within it:

Original 4 page movie ad for the film, superb condition, measuring about 11x9". Apparently the original owner of the book simply folded it in 2 and left it there for the past 68+ years.

Newspaper ad for Loew's Poli theatre (with tickets going for 75 cents!)

Newspaper photo of Olivia DeHavilland who has "rounded nationwide praise for her portrayal of Melanie in "Gone With The Wind" which is being held over at Loew's Poli theater as a result of popular requests for more showings"

Ticket stub from such a show (the matinee cost seventy-five cents back then)

Clipping/photo of Austine McDonnell (she was screen tested for the role of Melanie)

Large newspaper cutout of Rhett and Scarlett advertising Chesterfield cigarettes

Dress pattern catalog that featured GWTW dresses

more!

Auction ends this weekend at
