This page is left intentionally blank.

Well, not really blank, as I've just written in it.

Actually, I typed in it.

Want a yummy snack?

It's a great way to start the day! :)

# Introduction

Making money from other people's products.

In other words....affiliate marketing! :) It's truly a glorious thingee indeed.

But! There are so many affiliate marketing programs out there...what makes one worth promoting over another?

So glad you asked! You're about to find out bigtime. :)

## What You Will Need

All you will need to make money from Affiliate marketing is:

- Affiliate links
- Website (so you can drive traffic to it)
- Creativity (offline marketing!)

**And here's how to do it!**

## The Challenge

You want to make a killing with affiliate marketing.

There are several ways to do this!

One way it to find products that give to you:

**At least 75% affiliate commission...and ideally 100%.**

It really does make sense for marketers to offer 100% affiliate commissions – I and others now do it quite often over at:

- <http://www.warriorplus.com/wsopro/affiliate/available-offers.php?q=&s=barbling>
- <http://www.warriorplus.com/wsopro/affiliate/available-offers.php?q=&s=coby>

The reason why is because it helps us build our lists on the front end (our affiliates get big huge amounts of sales, and we get the leads), plus our back end (one time offer) is generally set to a 50% commission (so we do profit a wee bit).

You can learn more over at

- <http://www.barbaraling.com/insights/affiliate-networks-100-affiliate-commissions/>

Another way to make it big with affiliate marketing is to find products that:

## Convert high

That simply means that lots of people buy.

This happens a lot, even for newbies, when the product you're promoting is extremely low in cost and high in value.

Remember that – I'll be talking bunches about it in Step 1.

And to answer your question why some high-priced affiliate products convert bunches for some marketers, and do less than invisible oxygen for you....

It's because **some marketers** have big huge lists where their list members will buy anything and everything they recommend.

If you're just starting out in affiliate marketing....stick to the 100% and the over-delivering of quality/etc. You'll probably end up making more that way.

With that out of the way, let's jump to:

## Before You Begin

Yes yes yes, I know you want to get all the secrets now, but trust me.

There's one thing you HAVE to do!!!!

And it's this.

### Cloak Your Affiliate Links!

Please.

I beg you.

Yes.

I know.

I sound like a broken record (*wow, hey, think about that reference, didn't I just said myself? I mean, gosh, when's the last time you've even **seen** a record, let alone a broken one? Wow! See what happens when I start writing at 3am in the morning? And you know, speaking about broken records, check out the [Museum of Obsolete Objects](#) and...*)

Where was I?

Oh yes!

Cloak your affiliate links! It's a nice simple smart easy way to ensure that unscrupulous marketers do NOT substitute their link with yours!

- <http://www.barbaraling.com/insights/how-to-easily-cloak-your-clickbank-and-other-affiliate-links-for-free/>
- <http://www.barbaraling.com/insights/hide-affiliate-links/>
- <http://www.barbaraling.com/insights/protecting-affiliate/>

gives you useful tips for that.

And with that out of the way, let's dive into:

## Step 1 – Be Open To LESS Than 100% Commissions, If...

Yes, it's true.

If you can send people to a high-converting 75% affiliate commission site, you'll make far more than a 100% non-converting site!

**That is, of course, If And Only If....the product overdelivers on quality and is offered at rather insane savings.**

Thus, do NOT mentally insist you **need** 100% affiliate commissions. True, they're nice, but also look at it this way...

75% affiliate commissions means you get 3 out of 4 sales...and 75% of 100 is a hell of a lot more than 100% of 0.

Thus....always be open!!

One of my favorite sites for 75% to 100% commissions is [Wacky Central](#), known for their wacky low price, sterling customer service and habit of over-delivering on promises. **Heck, whenever I promote their products, I always see folks on my list buying!**

**And they're always one step ahead of other marketers.** For example, for the past few years, they've run their **Wacky 12 Days of Xmas Sale of Awesomeness.**

This year, they're doing something entirely different!

While other folks offer one product one day,....

...Another product the next day

....The third product the 3<sup>rd</sup> day....

**They, as always....chose to think outside the box.**

They're offering:

At first, they were thinking of offering:

- 1 product the first day
- 2 products the second day
- 3 products the third day....
- Up until 12 days!

**But then decided to offer ALL 78 products at once....all for one bizarrely low price.**

Think about this....it's **78** fantastic MRR products that you can upload and sell yourself...and **keep 100% of the profits to boot**. Heck, you could set up your own IM shop for 2012 with all them!

Want to promote it yourself? [Click HERE to sign up!](#)

Want to buy it instead? *(when released, it starts at less than \$10!)* [Click HERE to check it out!](#)

The no-brainer savings it offers....if you have a list, the commissions add up bigtime.

Next...

## Step 2 – Find Respected 100% Affiliate Vendors

There's a lot of vendors out there, you know.

And those who use [Rapid Action Profits](#) – well, their affiliates get paid immediately when the customer buys!

So, you can search for programs that offer 100% affiliate commissions as well.

You can search at

- [RAPBank](#)

and

- [iDavi](#)

for these vendors.

And...get this.

You can also search via Google!

Try this search.

- ["powered by rapid action profits"](#)

That's always displayed by vendors who use RAP.

Now, check this search out:

- ["powered by rapid action profits" inurl:affiliates.php](#)

That search tells Google to return sites that not only have that phrase, but also have “affiliates.php” in the URL.

Now try:

- "powered by rapid action profits" inurl:affiliates.php "you will receive 100"

See what's returned?

Now, some of these sites give 100% of 50% of your sales, or 100% of 75% of your sales, or 100% of 100% of your sales. So you'll have to explore further.

But it's really rather neat, aye?

Next...

I'm writing this on 12/11/11, so those 100% affiliate commission jobbers you see....those are applicable TODAY.

So I could request them! Oh wait, I already did (*because as she said, she runs <http://www.dailywsos.com> !*). :)

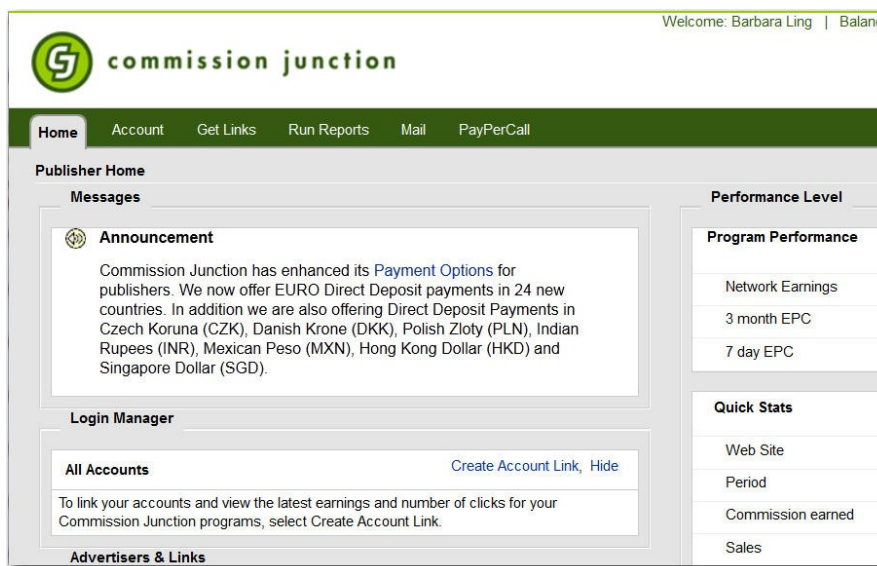

Thus, you can max out your profits by promoting **only** those 100% affiliate commissioned products.

Next, let's go mainstream to:

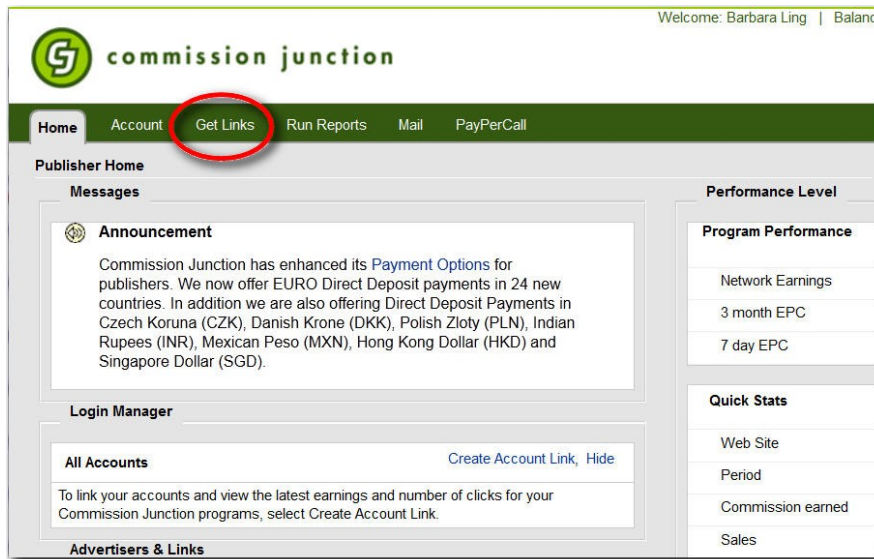

## Step 4 – Look for 100% Affiliate Commissions on CJ.com

Would you believe that mainstream advertisers offer 100% affiliate commissions too?

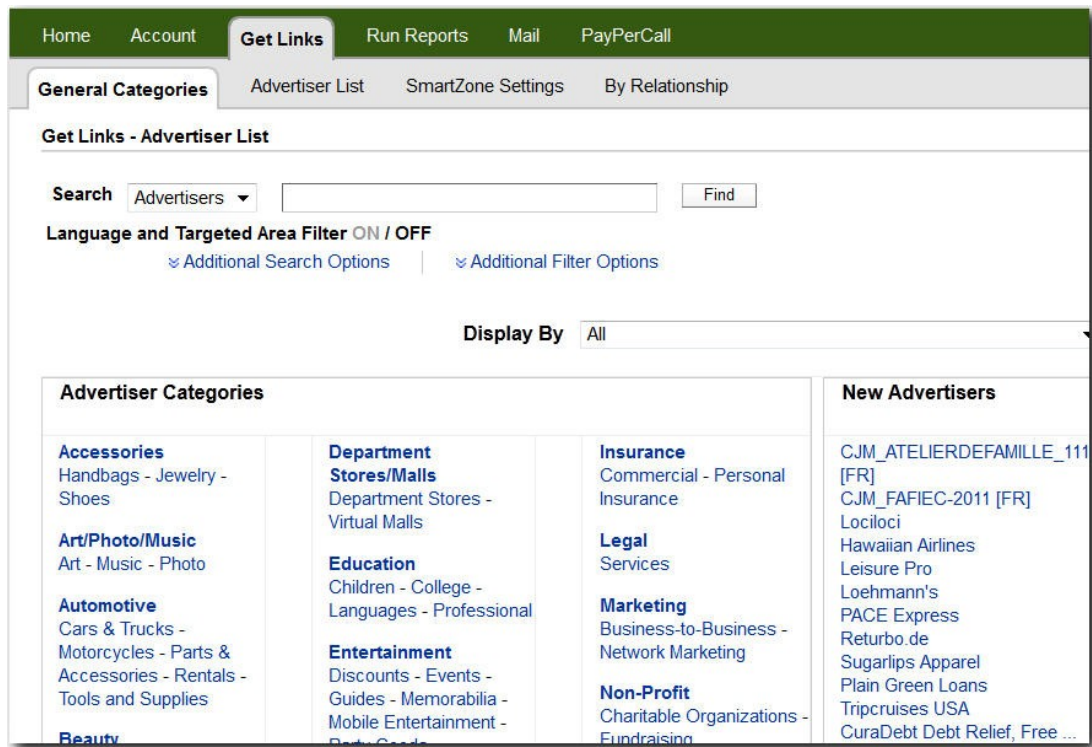

It's easy to find! First, login in at <http://www.cj.com> . You'll see:

Click on “Get Links” like so:

You'll be brought to all the categories!

Select a category, say, Matchmaking.

The screenshot shows the CJ.com category selection interface. It is divided into three main columns. The first column lists categories like Family, Financial Services, Food & Drinks, and Games & Toys. The second column lists Online Services, Recreation & Leisure, and Seasonal. The 'Matchmaking' option under 'Recreation & Leisure' is circled in red. The third column lists specific advertisers like Kinglce.com, Furniture Super Source, and others, with a 'View All' link at the bottom.

When you click on it, you'll see something like:

The amount of research you can do on this site....awesome beyond belief!

*What's that?*

Aye?

You want...MORE?????

Well of course then!

Let's turn to:

## Step 6 – Use Secret Google Searches for 100% Affiliate Commissions

Remember how I had shown you some nifty searches for RAP products via Google?

Let's take that a step further, shall we?

**Ask yourself. What would a vendor put on their page if they were promoting 100% affiliate programs?**

You got it!

Search on:

["100% affiliate commission"](#)

Wow.

That was easy. :) You can also try....

[affiliate programs that offer 100% commissions](#)

Now...try this.

- [site:rapbank.com/products seo](http://site:rapbank.com/products%20seo)
- [site:rapbank.com/products confidence](http://site:rapbank.com/products%20confidence)
- [site:rapbank.com/products facebook](http://site:rapbank.com/products%20facebook)

Wheee! You'll see collections of all targeted niche products that all pay instant commissions that hail from RAPbank.

And whenever you click ahead to a RAP product, you can tack on “affiliates.php”

to find the affiliate info as well!

le,

- <http://wackyweekendsale.com/FacebookCouponApp/>

would turn into

- [http://wackyweekendsale.com/FacebookCouponApp/affiliates.ph
