Well, not really blank, as I've just written in it.

Actually, I typed in it.

Want a yummy snack?

It's a great way to start the day! :)

# Introduction

WarriorPlus.

It's where you can find bunches of great Warrior Special Offers that **you** can promote via an affiliate link!

But...

Did you realize you can do some really nifty cyber-sleuthing to max out the possible profits you can obtain?

If so, you're going to love what you read!

## What You Will Need

All you will need to profit from WarriorPlus is

- Free WarriorPlus Affiliate ID
- Place where you can promote your affiliate links (blog/list)

**And here's how to do it!**

**One of the best ways to profit via WarriorPlus is to find those products that deliver to you...100% affiliate commissions.**

This works for other affiliate platforms too, of course.

And contrary to popular belief... it makes a **lot** of sense for marketers to offer this – heck, I do meself over at <http://www.virtual-coach.com> !

And here's why.

**Have you ever seen an affiliate program that offers 100% affiliate commission...**

And asked yourself,

*"Jeepers self, why? Why on earth would anyone offer 100%*

*commissions? What's in it for them"?*

'Tis an excellent question indeed! So sit back, relax, think nice happy thoughts like:

**Happy Thought #1!**

What's that? That doesn't flap your earlobes?

Okay, how 'bout:

**Happy Thought #2!**

Yep, that's the ticket!

Let me now explain why some affiliate marketers like myself offer 100% affiliate commissions.

It's because:

---

**It makes my affiliates *\*really\** happy!**

They promote, they get instantly paid on *\*all\** sales! Happy affiliates are affiliates that promote more often, you see (*and you can check out the 100% Virtual Coach affiliate program [here](#)*).

---

**It builds my list!**

Every customer who buys gets on my Virtual Coach mailing list. This allows me to promote future products to them as well. And because I use [Rapid Action Profits](#), my affiliates' cookie stays activated; even if someone visits my site from my updates, the previous affiliate will be credited should a purchase be made.

**And that, of course, also makes my affiliates happy!**

Now, because I'm an experienced marketer, I've taught myself about OTOs (*or One Time Offers*). So I'll also include an OTO with all my products – that delivers an additional 25% commission to my affiliates too if purchased.

I first saw 100% affiliate commission implemented beautifully over at

[Wacky Central](#)

I \*highly\* encourage you to check them out – they are fantastic, ethical marketers who are utterly brilliant at what they do and how they treat their customers.

**So there you have it – the reasons why affiliate marketers offer 100% affiliate commissions:**

- Makes their affiliates happy
- The product owners get to build their own list

Definitely a win-win any way you look at it!

So! You do not have to worry that people offering 100% affiliate commissions are dumber than a vegetarian lion attempting to snack on a Texas steer.

It makes tons of sense!

Which brings us now to your particular challenge:

## The Challenge

How on **earth** do you find all those luscious 100% affiliate programs from WarriorPlus? Heck, what about, say, 50% affiliate commissions...would those make you money too?

And once finding them....how can you be assured you actually get **paid** the commissions you deserve?

So glad you asked!!

**WarriorPlus Affiliate Profits** will take you by the hand and truly reveal how you can make the most money from Warrior Plus.

- Step 1 – Familiarize yourself with programs that deliver 100% affiliate commission
- Step 2 – Look for 100% affiliate commissions
- Step 3 – Look for products that have already sold bunches!
- Step 4 – Look for high visitor conversions!
- Step 5 – Look for niche WSOs!
- Step 6 – Search for Popular Vendors!
- Step 7 – Cloak your affiliate link!
- Step 8 – Blog about the affiliate product
- Step 9 – Promote to your list about the affiliate product
- Step 10 – Make a video about the affiliate product

These are described in below!

## Step 1 – Familiarize yourself with programs that deliver 100% affiliate commission

The two best delivery services for 100% affiliate commissions are powered by:

[Rapid Action Profits](#) – [RAPBank](#) is one Backend for this. [iDavi](#) is another.

[Warrior Plus](#) – This is what drives the Warrior Special Offer affiliate program. Basic account is free!

Wasn't that simple? :)

Seriously though. Infoproduct creators who use these systems to deliver their products can set their affiliate commissions to be 100%.

There are probably several others, but for this product...I'm going to focus solely on WarriorPlus.

Next, let's do the easy stuff first, shall we?

## Step 2 – Look for 100% affiliate commissions

I assume you've already signed up for [WarriorPlus](#), right?

Okay then, go sign in. You should see something like what's on the following page.

I'm writing this on 11/29/11, so those 100% affiliate commission jobbers you see....those are applicable TODAY.

So I could request them! Oh wait, I already did (*because as she said, she runs <http://www.dailywsos.com> !*). :)

Thus, you can max out your profits by promoting **only** those 100% affiliate commissioned products.

But.

But.

But.

An opportunity for more grey hair now arises!!

It's entirely possible (it really is!) that some of the WarriorPlus products that offer, say, 50% affiliate commissions.....would convert **far far better** than those that offer

100%.

Why?

Because of the converting marketing sales copy, of course!

Which brings me to:

## Step 3 – Look for products that have already sold bunches!

Go back to your main display and click on Sales:

So...it looks like that particular WSO might be a good thing indeed to promote (and lookie – it also offers 100% affiliate commission too! Woot!).

Now, you don't have to be that regimented in searching for what you want to promote as well!

You can go back a couple of days to find high-selling goodies, for example. Next,

## Step 4 – Look for high visitor conversions!

Wouldn't you love to see what products convert the most visitors?

Wait no more!

You can also search on [Visitor Conversion](#):

Lookie at those conversions!!

And interestingly enough...notice how bunches of them only offer a 50% affiliate commission?

Still, though, if it converts well....that could be YAWTMM! (*yet another way to make money*).

Now that you have ways to uncover the affiliate programs you want to promote, it's time to, well, promote them! Mosey on now to:

## Step 5 – Look for niche WSOs!

What if you want to promote specific niche WSOs?

It's easy!

And see how you can sort based on sales, conversion and affiliate commission too?

Woot!

But wait!

There's more!

Let's say that you utterly adore a particular WSO author. Did you know...

You can search on Vendor name too?

Which brings us to:

## Step 6 – Search for Popular Vendors!

Go back to the [request offers](#) and lookie at:

Offer Title / Keyword  Vendor Name  Sort by WSO Date

You can search for

- [barbling](#)
- [Infoagent](#)
- [Coby](#)
- [Tristan Bull](#)
- [Kelvin Nikkel](#)
- [Sojourn](#)

Just to name a few!

That gives you a good idea for **finding** great affiliate WSOs to promote...now let's get to the actual promotion!

## Step 7 – Cloak your affiliate link!

The first thing you want to do is cloak your affiliate link.

Trust me, you **really** want to do this. It will help prevent others from stealing from your link.

- <http://www.barbaraling.com/insights/how-to-easily-cloak-your-clickbank-and-other-affiliate-links-for-free/>
- <http://www.barbaraling.com/insights/hide-affiliate-links/>
- <http://www.barbaraling.com/insights/protecting-affiliate/>

Give you great tips for that.

If you use wordpress, you can also use:

- <http://ninja.barbaraling.com>
- <http://www.barbaraling.com/learnmore/wpcloak.php>

I definitely prefer the php tip, however.

Once your link is cloaked, move to:

## Step 8 – Blog about the affiliate product

You can create a smashing report and review about the product in question!

<http://emoneymakingonline.com/2010/01/15/review-product-promoting-online/>

has some helpful tips for that.

Whenever I myself review products, I like putting in the human interest twist...I will mention what I find appealing or useful or helpful for the future. Always remember that it's kinda sorta rather easy to fake reviews, of course...so do NOT say you've used the product if that's a blatant lie!

There's lots of sites that promote WarriorPlus WSOs including:

- <http://www.dailywsos.com>

- <http://www.wsojunkie.com/>
- <http://wsoexpert.com/wso/>

Of course, that's going a wee bit overboard! You can instead simply blog about specific products instead.

[Http://www.barbaraling.com/learnmore/2fer.php](http://www.barbaraling.com/learnmore/2fer.php)

is a fantastic WSO about increasing sales conversions to review sites – definitely worth reading!

And more useful tips can be found at:

<http://www.famousbloggers.net/how-to-make-money-online-blogging-posting-reviews.html>

<http://www.affhelper.com/how-to-make-an-affiliate-website/>

And..

### [Premium Review Themes!](#)

Is a steal no matter what way you look at it. :)

That takes care of your blog...but tell me now.

Do you have a list (please please please say!).

If so, let's dive into:

## Step 9 – Promote to your list about the affiliate product

That's one reason why you HAVE a list, right?

Well then, cloak your link and promote to your list!

Sounds easy, I know....but some tips to help with email marketing found be found at:

- <http://www.aweber.com/blog/category/email-marketing>

<http://www.barbaraling.com/learnmore/wc.php>

Scroll to the bottom and sign up!

The [Wacky Gals](#) are simply godlike in their writing ability. I have learned so much from them!

And if you're really creative, you can:

## Step 10 – Make a video about the affiliate product

You can see them all the time on the Warrior Forum!

Ever wonder how people get their affiliate links in a video?

- <http://netprofitstoday.com/blog/how-to-add-an-affiliate-link-to-a-youtube-video/>
- <http://cbincome.com/howto-add-clickbank-youtube>
- <http://jvprime.com/share-youtube-video-with-affiliate-link/>

Shows you how!

Neat, aye?

I think so too. :)

## Conclusion

This concludes **WarriorPlus Affiliate Profits**.

Good stuff, isn't it? I sure know that I never realized how easy it was really fine-tune the products I could promote from WarriorPlus!

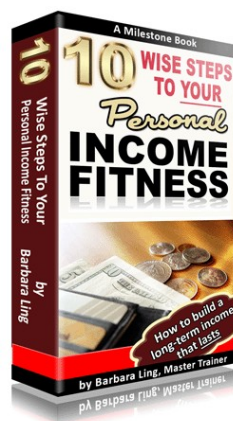

Remember, it's not just about 100% commissions...it's also about the traffic you drive to your site, the relationship you have with your list, the niche in which you market, etc.
