... and when you complete this shy and quietly stylish DennisAndBarb Power Blueprint, you'll lean back in your chair (*after first verifying that YES, it will NOT tip you over unexpectedly*), steeple your fingers together and in a shriekingly hushed voice, whisper to yourself:

“Jeepers self, I sure am glad I chose to purchase thru the DAB link because I’ve literally NEVER heard anything close to this before!”

Ready... for the excitement?

Ready... for the adventure?

Ready.... for the Jeepers?

Well then by golly, turn the page and gaze upon:

It Was A Dark and Stormy Knight...

... and we open to:

(Scene 1: King Arthur and his knights approach the Knights who say Ni! at the Bridge of Death)

Knight who says Ni!: Halt! Who goes there?

King Arthur: It is I, Arthur, son of Uther Pendragon, from the castle of Camelot. King of the Britons, defeater of the Saxons, sovereign of all England!

But what of ye! What calamity removed the Old Man from Scene 24?

Knight who says Ni!: Caneth thou keepeth a secret?

King Arthur: But of course! I *am* King, you know.

Knight who says Ni!: *(beckoning King Arthur closer and then saying in a stage whisper):* He tried selling a timeshare in the swamps of Dagobah to Gandalf.

King Arthur: Gandalf? That famed Wizard from the Tales of Henry Pottier and the Magician's Stone, Based upon Historical Events?

Knight who says Ni!: The very same. Eyewitnesses report he was turned into a newt.

Sir Bedevere: **A newt?**

Knight who says Ni!: A newt. Verily, the word on the street is that he hath recovered from his malady and now doth thrive in the dark arts of inciting the rabble.

King Arthur: I see.

Sir Robin: *(looking about and seeing his fellow knights could easily protect him)* Ni! What kind of word is that?

(Everyone stares at Sir Robin for a brief History of Time and then continues).

King Arthur: Alas and alack, I see we have digressed. So! We meet again. Pray tell, what troubles thee?

Knight who says Ni!: We have a plethora of shrubberies, but we cannot sell them. Our current advertising copy is lackluster and dull.

Sir Bedevere: Assuredly, the power of words should never be underestimated.

King Arthur: Aye, indeed. Allow me to assist thee with my copywriting prowess.

Sir Lancelot: (*whispering to Sir Robin*) He doth think highly of himself, does he not?

King Arthur: (*ignoring Sir Lancelot's comment*) Let me see thy current headline.

Knight who says Ni!: *It simply reads "Buy Shrubz Herez."*

Sir Robin: Oh dear, that will not do.

King Arthur: Nay, indeed. Pray, let me bestow upon thee a set of fresh and dazzling headlines, that shall surely capture the attention of thy target audience.

(King Arthur presents several pieces of parchment with headlines written on them)

Sir Bedevere: "Add some green to thy routine!"

Sir Robin: "Shrubberies fit for a king!"

Sir Lancelot: "Spruce up thy love life with our romantic shrubberies!"

Knight who says Ni!: These are much better than what we had before.

King Arthur: Of course they are. I **am** King after all.

Knight who says Ni!: We remain yet unconvinced that these headlines shall bear fruit and yield the desired results.

King Arthur: Mayhap a wager shall be the catalyst that shall sway thy conviction?

(Cut to Scene 2: King Arthur, having challenged the Knights who say Ni! to split-test his headlines against theirs, watches from afar along with his knights.)

Sir Lancelot: By the Black Knight's bones, this is quite amusing.

Sir Robin: Indeed, it doth warm my heart to see them struggle.

Narrator: But Sir Robin's merriment was struck dumb, as...

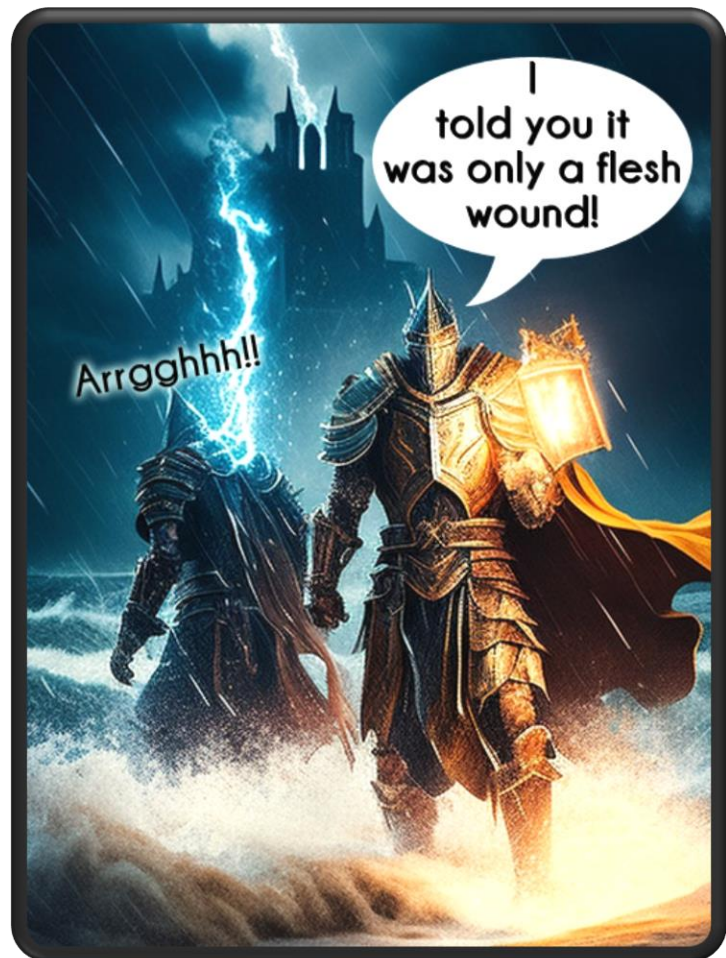

(The Knights who say Ni! call out to passersby with more of their new headlines)

Knight who says Ni!:
"Enchant woo-worthy fair maidens with our sculpted shrubs!"

Knight who says Ni! 2:
"Our shrubberies: your perfect wingman in thy pursuit of love!"

Knight who says Ni! 3: "Thou art but a shrubbery away from greatness!"

(King Arthur and his knights watch as people stop to buy the shrubbery after shrubbery)

Sir Bedevere: **By the mighty hammer of Thor, it seems to be working!**

Sir Lancelot: Verily, King Arthur, thou hast proven thy worth in copywriting.

Sir Robin's Minstrels:
(singing) "We sold shrubberies, we sold shrubberies!"

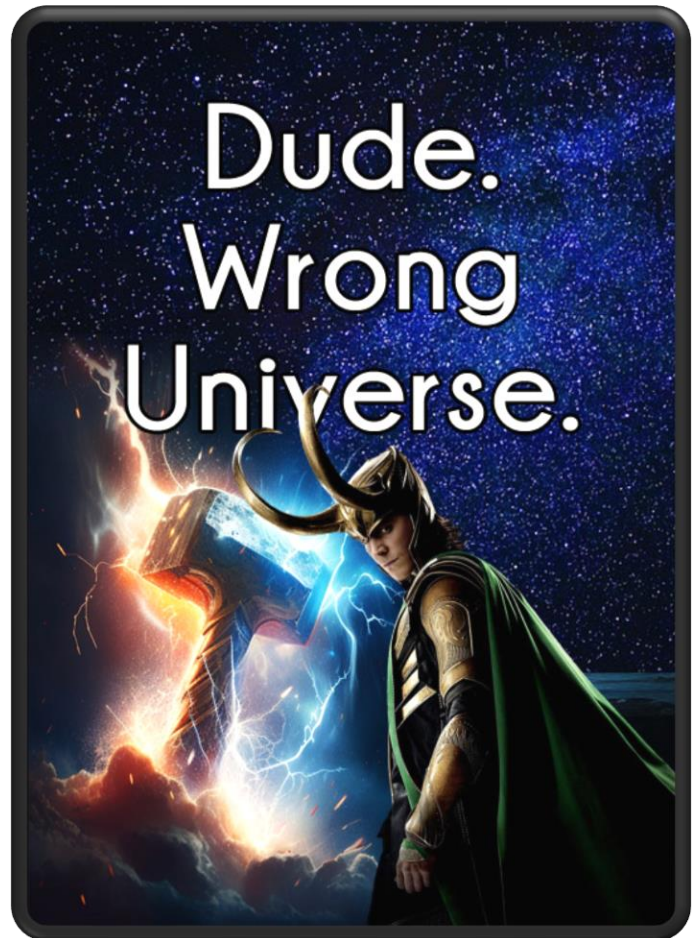

(The Knights who say Ni! approach King Arthur and his knights)

Knight who says Ni!: King Arthur, we were wrong to doubt thy skills in copywriting. Please, take these shrubberies as a token of our appreciation.

(King Arthur and his knights accept the shrubberies)

King Arthur: Thank you, my good knights. It was a pleasure doing business with thee.

Sir Lancelot: Verily, we hath proven that the pen is mightier than the sword. Unfortunately, I might add.

Sir Bedevere: By the holy grail, words doth have the power to move mountains!

Sir Lancelot: The Grail itself, or merely a Grail-Shaped Beacon?

(Cut to Scene 3: King Arthur's headlines defeated the Knights who say Ni!'s headlines 938 to 1. Thus, a celebration ensued! During which, of course, more shop talk was... errrr... talked.)

Knight who says Ni!:

My fellow knights, we hath seen the power of good copywriting. We must put our trust in King Arthur's words.

Knight who says Ni! 2:

Verily, we must come up with even more winning headlines!

Knight who says Ni! 3:

But how do we capture the attention of our potential customers?

Sir Robin: (jokingly)

Why not simply shout "Ni!" at them?

(The Knights who say Ni! all laugh before raising their swords and stepping threatening towards Sir Robin)

Knight who says Ni!: (jokingly while testing out the sharpness of the sword blade) Aye, that may work for us, but what about the common folk?

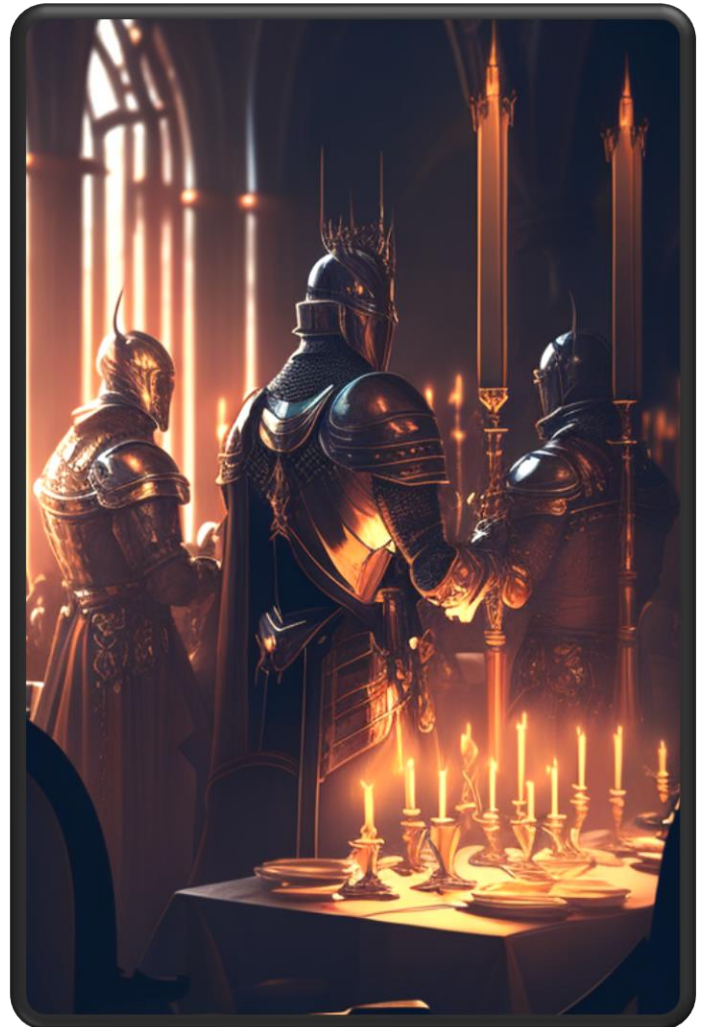

Sir Lancelot: (serious) We must think of a headline that speaks to their needs and desires!

Sir Bedevere: (serious) Aye, we must tap into their emotions and aspirations!

King Arthur: (entering the room) Fear not, my good knights. I have a headline that will surely capture the attention of all.

(King Arthur presents a new piece of parchment with a headline written on it)

Knight who says Ni!: (reading) "Fair Maidens Swoon Over Suggestive Shrubs: Only at Knights Who Say Ni!"

Knight who says Ni! 2: (impressed) By the Lady of the Lake, that is brilliant!

Knight who says Ni! 3: (impressed) Verily, King Arthur, thou art a master of copywriting!

Sir Robin: (jokingly) He may not know the airspeed velocity of an unladen swallow, but he sure knows how to write headlines.

(Knights who say Ni! all laugh)

King Arthur: (smiling) Thank you, my good knights. Now, let us spread the word of our new headline and sell these shrubberies like hotcakes!

(Knights who say Ni! all cheer and raise their glasses)

All: To the power of words and the greatness of King Arthur!

(The scene fades to black as they continue to celebrate and drink)

*And There Was Much Rejoicing –
The End!*

Before You Begin

Your Goal

Your goal for this blueprint is simple indeed!

You will want to promote an utterly AWESOME product via your magnificently AWESOME affiliate link, making sure you don't really use TOTALLY NOT-NEEDED capital letters. 😊

There now, wasn't that elementary, my dear King Arthur?

Seriously though, you're going to learn one thing, and one thing only.

You're going to learn how to create "OMG I MUST Click on this eMail and see what's in it for me!" Subject lines.

But these are *special* subject lines, see.

These are Subject lines that ChatGPT will proactively suggest FOR

Another Great Power Report by DAB Coaching!

Awesome Affiliate Marketing Subject Ideas YOURS for the Taking!

you, so you don't have to deal with:

Headline Suggestions

Swipes Files

Headline Suggestions

Swipe Files

Didn't I Just Say That?

Etc.etc.etc.

See? One thing, and one thing only! 😊

Well, 'course now, we're getting ahead of ourselves here! You now have the goal (great headlines!)... let's now step off the cliff together and build our wings on the way down! Move now to:

The Easiest Way To Make Powerful eMail Subjects

Before we pounce into all that everything that is awaiting you , let's go over a couple 'o thingees first.

I am assuming you are aware of the concept of “prompts” and “prompt engineering” and “How on EARTH did they create a prompt to build an entire award-winning Hollywood movie (*okay I made that up*)” and other thingees.

But if not, not to fear. In a nutshell (macadamia nuts, I believe), text content prompts are simply the text words you use to create ideally GLORIOUS content goodness on the fly from ChatGPT.

Another Great Power Report by DAB Coaching!

Awesome Affiliate Marketing Subject Ideas YOURS for the Taking!

There now, wasn't that simple?

I describe this in 'waaay more detail over at my bonus for [WordCash](#); it's kinda sorta not reeeeeaaaally relevant here, but 'tis good for all marketers to know!

Thus, let's get TO what really IS critical to know here. To set the stage, let's take an affiliate offer like... hmmmmm... This!

AI 30K Copy & Paste Commissions

It's a nifty coolio system where you can use your own affiliate link and it will product for you:

-  Your Own Product Page
-  Your Own Squeeze Page
-  Your Own Download Page

*(in other words, it really ***is* copy/paste** – your mission, should you accept it of course, is to drive traffic/incorporate it into your overall marketing online/etc.etc.etc.)*

But I digress. 😊

So! Back to the main page of:

AI 30K Copy & Paste Commissions

Another Great Power Report by DAB Coaching!

Awesome Affiliate Marketing Subject Ideas YOURS for the Taking!

Here's what you're going to do. Ready? Alrighty:

Step 1.) Open ChatGPT.

In other words, visit <https://chat.openai.com/chat> .

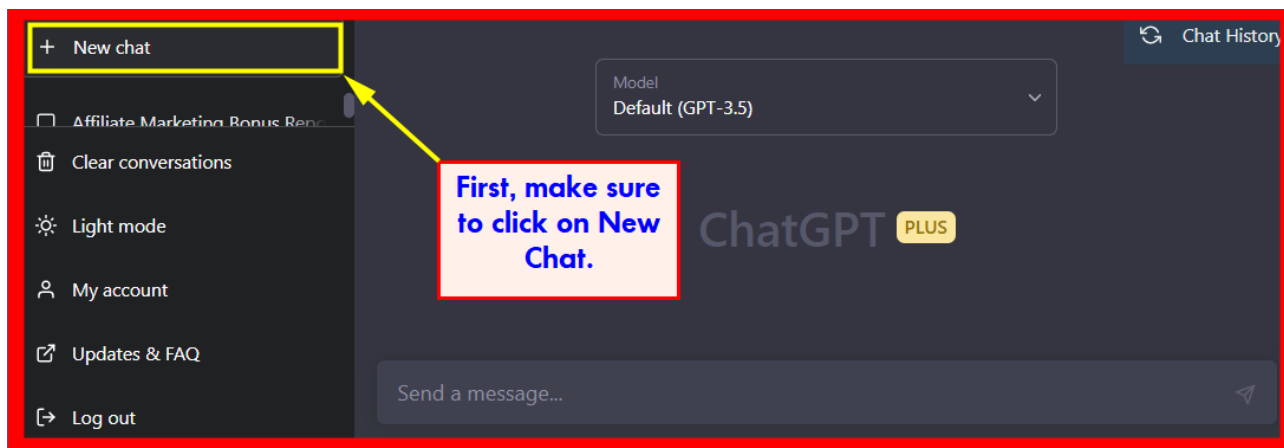

If you have yet to sign up for the free version, visit:

 [ChatGPT: How to Use the AI Chatbot for Free](#)

And, errrr.... Sign up.

That was simple.

Make sure you choose a new conversation by clicking like so:

Now comes the fun part!

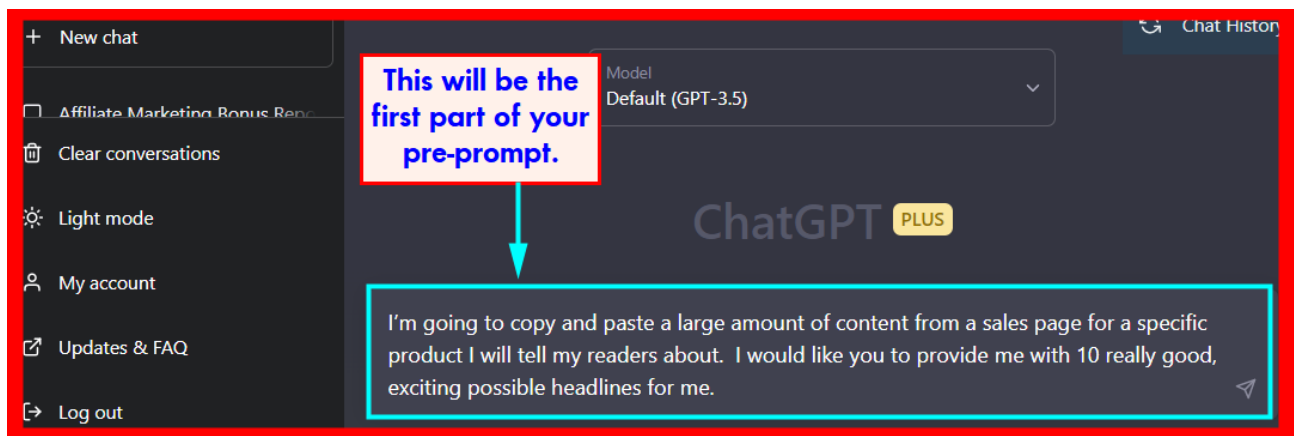

Step 2.) Write Down Your Pre-Prompt

Yep, we're going to be creating a rather... large.... Pre-prompt for you to use.

Copy and paste the following to ChatGPT:

I'm going to copy and paste a large amount of content from a sales page for a specific product I will tell my readers about. I would like you to provide me with 10 really good, exciting possible headlines for me.

Again, another simple step! Your ChatGPT should look like:

Perfect! Next, move to:

Step 3.) Go Back to the Product Sales Page And...

Next, revisit the sales page of the affiliate product you intend to promote. In our case, it's:

<https://aicopypaste.com/exclusive/>

X out any dropdowns that might appear.

Then press <Control> A. This will copy all the text to your computer memory and your ChatGPT window will look kinda sorta like:

So far, so good!

Next, we:

Step 5.) Press <CONTROL> C to Copy This Text and ...

Now that all the text is highlighted, we FIRST press <CONTROL> C to copy the text to computer memory.

Then we return to your ChatGPT window, and then press:

<SHIFT> <RETURN>

Twice (this gives us 2 blank lines)

The excitement is building! Next, move to:

Step 6.) Press <CONTROL> V to Paste That Text and ...

Are you ready?

After pressing

<SHIFT> <RETURN>

Twice (this gives us 2 blank lines)

Press

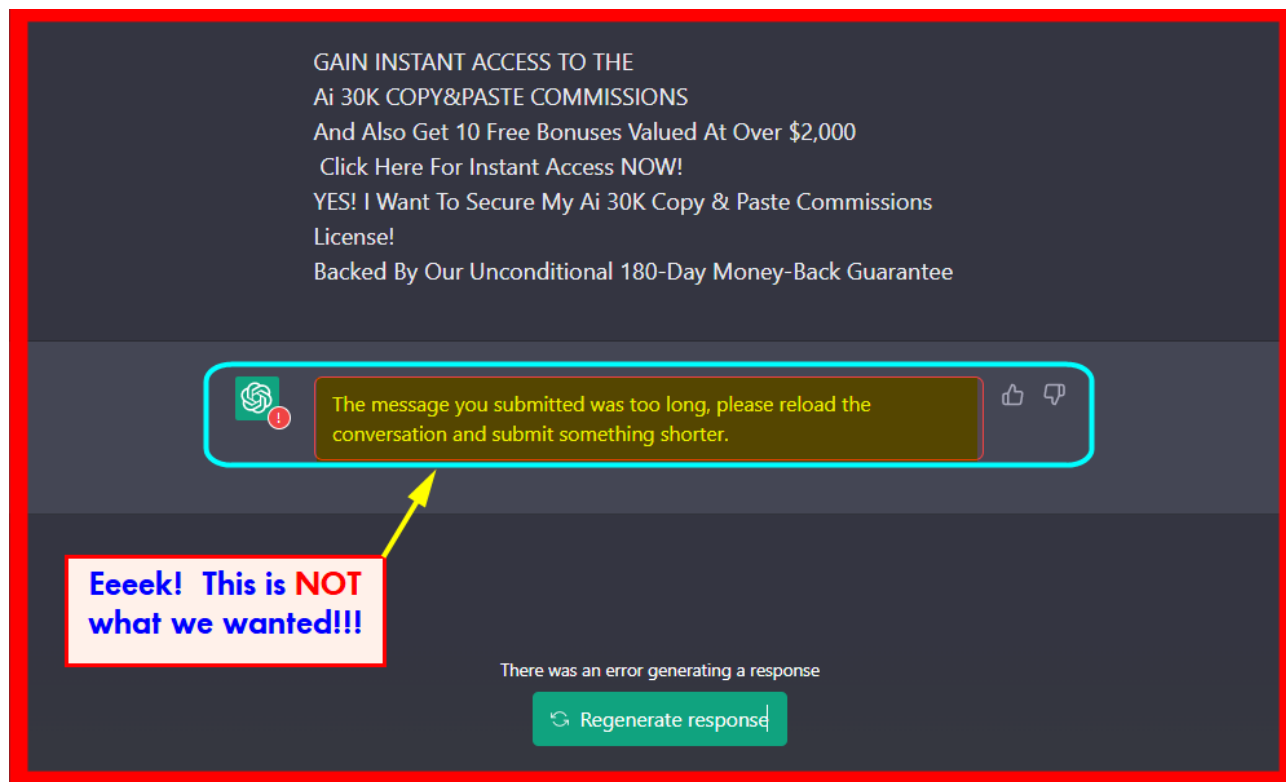

<CONTROL> V to paste that entire sales page copy into your ChatGPT and then....

Hit Return!

[Awesome Affiliate Marketing Subject Ideas YOURS for the Taking!](#)

AND OMG! You'll (most likely) see the final output looks like....
This!

Well THAT'S not what we wanted whatsoever!!!

Let's pause for a moment, drown ourselves in any hot beverage of choice, and weep silently into our Errrrrr.... Mooses?

Or perhaps just take a breather and watch (be sure to click on the image):

What to do next?

Why, pop open a text file and paste the content of the sales page THERE instead!

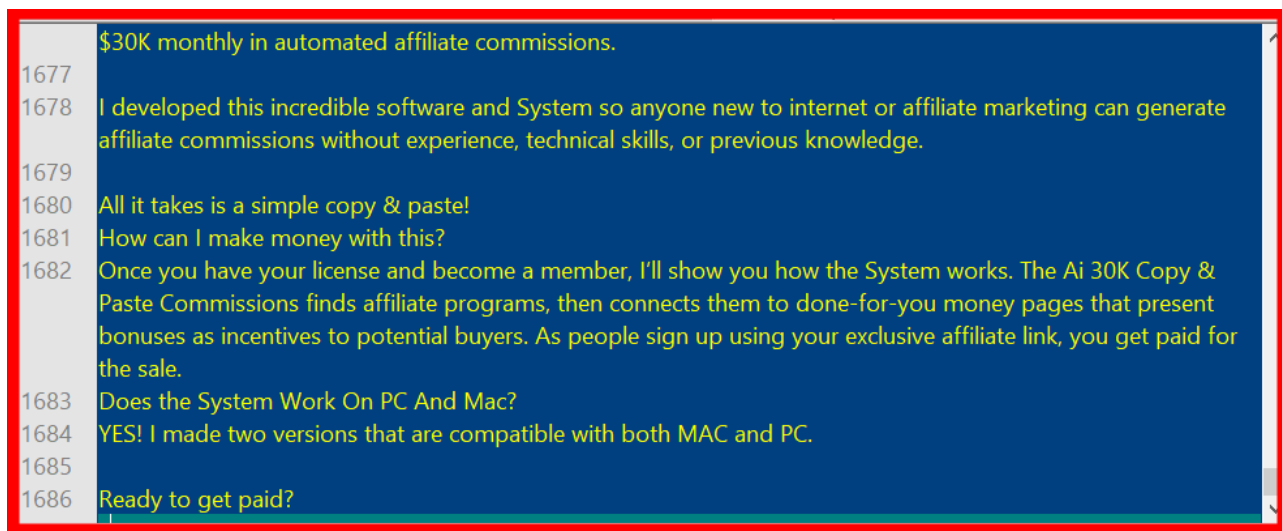

(NOTE, pro tip! Prior to pasting the sales page content to the text file, paste in FIRST the pre-prompt:

I'm going to copy and paste a large amount of content from a sales page for a specific product I will tell my readers about. I would like you to provide me with 10 really good, exciting possible headlines for me.

It made for a little over 1,670 lines or so:

Another Great Power Report by DAB Coaching!

Awesome Affiliate Marketing Subject Ideas YOURS for the Taking!

So what I'll do is take simply the first 1K lines, copy and paste *those* into ChatGPT and see what's returned.

Annnnnnd gnope, that was too long as well. Wah!

800 lines? HAHAHAHAHAHAgnope.

Argh!

700 lines was Right Out as well!

600 lines → Toast!

500 lines → Extra Crispy Toast!

400 lines → Would you like some Burnt Marshmallows with that toast?

But around 300 lines?

Here's the thing about eMail, you know... some eMail softwares will also show a brief blurbie about what the eMail content actually **is** (that's called a "pre-header").

So I can now modify my response like so:

Thank you. I like the feel of the longer headlines... is it possible to pair an eMail Subject with a pre-header that simply MAKES people want to open it?

Unfortunately, I did NOT phrase this the correct way, and was treated to an answer that had absolutely ZERO relevance to our earlier goals. ☹️ So then I asked:

Do you remember the original 300 or so line sales copy I shared earlier with you?

And was told:

Here's what I chose:
