... and we open to:

EXT. VILLAGE – DAY

[The village is in disarray. Villagers murmur and fret as they try to pass by the **Knights who say Ni**, but there are no shrubberies to appease them. **Roger the Shrubber**, disheveled and forlorn, sits in front of his now-empty shrubbery shop.]

ROGER: (mournfully) Alas, my fellow villagers! The shrubberies have vanished from these lands, leaving us all in distress. I am but a lowly shrubber with no shrubberies to offer. What purpose have I left?

[**KING ARTHUR** and his Knights of the Round Table ride through the

village, hearing Roger's anguished cries. They dismount and gently storm into Roger 's house, causing Roger to panic.]

ROGER: **(brandishing a carrot)** Stay back, you fiends! I have nothing to lose! I shall defend myself with this freshly picked carrot!

KING ARTHUR: Fear not, Roger! We mean you no harm. Put down your carrot and speak your troubles to us.

[**ROGER** cautiously lowers the carrot but keeps a wary eye on the knights.]

ROGER: My lord, King Arthur, my once-thriving shrubbery business has crumbled! The villagers can no longer pass by the Knights who say Ni without a shrubbery. I am but a failed shrubber now.

KING ARTHUR: Have hope, good Roger! We shall find a way to restore the shrubberies to this land and bring prosperity back to your business.

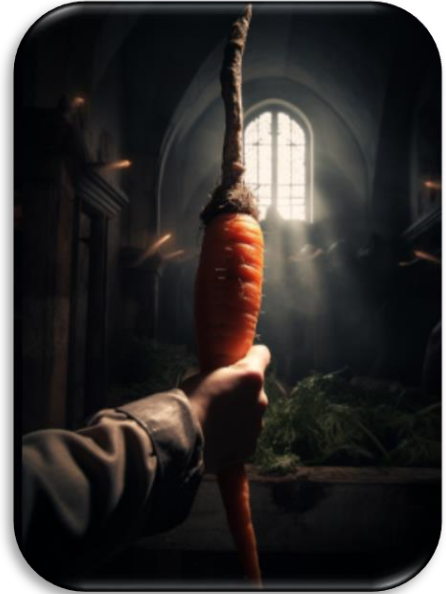

[The knights gather around, eagerly offering their suggestions.]

SIR LANCELOT: Perhaps we could advertise shrubberies on the backs of swallows?

SIR BEDIVERE: Or what if we use shrubbery catapults to launch them at the Knights who say Ni?

SIR ROBIN: (in a side whisper) They do not even possess the shrubbery to load the catapults, you ninny.

SIR GALAHAD: How about painting shrubbery patterns on cows and

letting them roam the land and fool the Knights who say Ni as they shall now assume shrubberies can migrate like European Swallows?

KING ARTHUR: (chuckling) Silly suggestions, my brave knights. But fear not, Roger. I have a solution that doesn't involve catapulting cows or airborne swallows.

[**KING ARTHUR** gathers the knights and **ROGER the Shrubber** in a circle, ready to impart his wisdom.]

KING ARTHUR: Listen well, my loyal knights and Roger. I shall enlighten you on the wonders of affiliate marketing. You see, Roger, by partnering with other shrubbers, you can expand your reach and bring shrubberies back to this village. They shall deliver the shrubs, and you shall earn commissions for each sale.

ROGER: Ah, a cunning plan indeed, my liege! But how shall I find these fellow shrubbers and entice them to join forces?

KING ARTHUR: Fear not, Roger, for my loyal knights have some rather... imaginative affiliate marketing ideas for you to consider.

[The knights lean in, eager to share their suggestions.]

SIR LANCELOT: Picture this, good Roger! A **grand shrubbery jousting tournament**, where the victor receives a bountiful commission and the glory of supplying the village with shrubs!

SIR GALAHAD: Or what about "Shrubber

Olympics," where shrubbers from far and wide compete in shrub-related challenges, and the champion gains the honor of being your affiliate?

SIR BEDIVERE: Roger my friend, you could host a **"Shrubbery Showcase Spectacular"** where shrubbers exhibit their finest creations, and the villagers vote for their favorites. The winning shrubber becomes your esteemed partner!

ROGER: (excitedly) These ideas are simply marvelous! I shall organize these events and forge alliances with other shrubbers. The shrubberies will flourish once more, and the Knights who say Ni shall be appeased!

[The villagers cheer and applaud.]

KING ARTHUR: That's the spirit, **ROGER!** And who knows, perhaps with your newfound success, you could venture into a different business, verily like... (pauses for comedic effect) **selling extravagant coconuts?**

[The knights burst into laughter, and the villagers overhear the conversation, gathering around.]

VILLAGER 1: Hail **KING ARTHUR**, the savior of shrubberies!

VILLAGER 2: Here, **KING ARTHUR**, have some carrots!

[The villagers thrust carrots toward **KING ARTHUR**, who comes up with a comical reason to evade them.]

It Was A Dark and Stormy Knight...

KING ARTHUR: (thinking on his feet) Ah, I have a pressing appointment with a **carrotologist!** They require my expertise on the mystical properties of carrots. Duty calls, indeed! Farewell, my friends!

[The villagers burst into laughter as **KING ARTHUR** and his Knights hastily mount their horses, coconuts in hand, and ride off into the sunset.]

[**KING ARTHUR** and his Knights ride off into the sunset, leaving the joyous villagers behind, their shrubby dreams restored.]

KNIGHTS: (in unison) Clap, clap, clap, clap...

*And There Was Much Rejoicing –
The End!*

Well now! Ready to dive into AI Affiliate *programs (no carrots required)*? Turn the page and enjoy!

About DAB Coaching, DennisAndBarb

Just who ARE these two modern legends who could give the stars of “Hobbs and Shaw” a run for their money? Well! Let’s begin with Dennis the Dignified:

**Dennis
Becker**

Dennis Becker

Dennis has been online since he started his first eBay business in 1998, and in 2002 started my first Internet marketing business. But 2005 was the year things actually ‘clicked’ for me and he set up multiple streams of income by focusing on repeatable, sustainable business methods and strategies. He’s still doing that today and earn six figures a year from his online business.

He’s written over 50 books, set up numerous membership sites, and now devote most of his time helping others do what didn’t come so easily to me in the beginning.

And Barb the Caffeinated? Behold!

**Barb
Ling**

Barb Ling

Barb has been supporting her family via the Internet since 1998. Her first product was the only 5-Star recommended resource by Inc. Magazine. She is the author of over 100 ebooks and specializes turning ‘complicated’ into ‘simple’. She also excels in being more creative than MacGyver on a Good Day. ☺

Between us, we’ve authored 100s of books and courses, supported our families for over 25 years each doing what we now teach, and combined to form one of the top group coaching programs for those looking how to profit online.

And if you’re wondering what other goodies we might have, mosey on over to:

Hello. I'm Dennis (the menace) Becker, and along with my brilliant partner Barb Ling, we've been around these parts for quite a while, actually since the last century, so we've seen good times and bad times multiple times.

While I'm mainly known perhaps for publishing well over 50 eBooks, starting with "5 Bucks a Day" in 2006, which is why I'm universally known as "the 5 Bucks Guy" but I'm actually more passionate about creating and building membership sites and communities.
